First 1979 Wheat, Feed Grain Signup Report Shows 8.7 Million Acres to be Diverted - Producers during the first seven weeks of the 1979 Wheat and Feed Grain Program Signup have indicated they plan to set-aside or otherwise divert 8,744,985 acres of cropland.

A recent report, issued by the U.S. Departmnt of Agriculture, shows farmers intend to set-aside 4,827,797 acres under the Wheat Program and 2,248,273 acres under the Feed Grain Program. Feed grain producers will additionally divert 1,182,274 acres of corn cropland and 276,510 acres of grain sorghum acreage. Earmarked for grazing cattle or cutting for hay are 210,131 acres under the special Wheat Acreage Grazing and Hay Program.

Through April 5, 352-933 of the 2,387,929 eligible farms (14.8 percent) had signed up for the programs.

Wheat and feed grain acreage planted for harvest on the participating farms totals 44,146,777 acres, including 24,138,982 acres of wheat 13,675,177 acres of corn, 4,397,684 acres of grain sorghum and 2,204,934 acres of barley.

The participating farms have 68,946,779 acres of the 280,150,604 total Normal Crop Acreage (NCA) established on farms.

On Monday the signup period for the set-aside program ended. Appomattox County had approximately 25% of the eligible NCA farms to signup this year. These farms, if in program Compliance will be eligible for disaster payments, deficiency payments and commodity loans.

For those farms signed up in the program that have or will plant corn, the corn planted acreage will need to be reported by June 30. This also includes corn set-aside. Farmers that will plant grain sorghum will need to report the planted acreage by July 15, which includes set-aside acreage. Soybean acreage will also need to be reported no later than July 15. Soybeans for hay or beans will be counted against the farm NCA this year.

Final figures for the set-aside program both nationally and locally will be made at a later date.

Flue and Fire Cured Tobacco - Under the Flue and Fire-Cured tobacco programs this year all farms will be measured for program compliance. The measurement will be done by aerial observation.

I urge all flue and fire farmers that will plant their whole allotment or close to it to consider pre-measurement service. This service is provided for a nominal fee and the acreage measured is guaranteed for the 1979 crop year.

Flue farmers will not be allowed to adjust their acreage for price support if they exceed their allotment this year. Pre-measurement is on guard against this situation. Fire farmers will be allowed to adjust, but pre-measurement will help avoid any needed adjustments.

BY BILLY CONNER

Visitors in Falling River Country Club's Mixed Doubles Tennis Tourney are shown above, left to right, Jackie Smith and Sam Kerr, winners - Peggy Harris and Harmon Smith, runners-up; and Judy Dorety and Larry White, winners consolation bracket.

Opening Tennis Tourney Big Success

The FRCC Tennis Season opening tourney, under the direction of Jackie and Mr. Smith, got off to a chilly start early Saturday morning. This tennis season "warm-up" consists of mixed double teams established by the drawing of names.

First round matches saw Mary Lou Harrison-Sonny Farris win over Frances Lewis - Fred Roberts and Jackie Smith - Sam Kerr win over Pat Roberts - John Latham.

In quarter final activity the Violet Roberts-John Spahr team defeated Ruby Latham - Tommy Wilhoit, the Peggy Farris - Harmon Smith team defeated Judy Dorety - Larry White, and the Janet Wilhoit - Mike Bradley team defeated Brenda Goodwin - Bruce Cowan.

The teams who had lost these first matches formed the Consolation Bracket.

Rain interrupted play, but with five brooms and numerous optimistic sweepers the courts were dried and play resumed.

Jackie Smith - Sam Kerr defeated Mary Lou Harrison - Sonny Farris in the remaining quarter final match.

By this time Frances Lewis - Fred Roberts and Judy Dorety - Larry White had advanced to the finals of the Consolation Brackets. The latter team emerged victorious in the 3 p.m. Sunday match.

In the Semi-finals Violet Roberts - John Spahr lost to Jackie Smith - Sam Kerr; Janet Wilhoit - Mike Bradley to Peggy Farris - Harmon Smith.

At 4:30 Sunday in the finals match Jackie Smith - Sam Kerr notched their victory with a 6-4, 6-3 win over Peggy Farris - Harmon Smith.

Highlighting the whole event was great fun, good sportsmanship, Saturday night at the Pizza Hut, and John Spahr at the net.

The participants are grateful to the FRCC Tennis Committee and to Warren and Ann Moser for their support.

The next Tennis Event is the Men's singles and the Women's singles to be played on May 26-27 under the direction of Frances Lewis, Bruce Cowan, and Mary Lou Harrison.

Raiderettes Win Two Lose One

The Raiderettes uped their season record to 9 and 2 with wins over William Campbell (15-4) and Nelson County (17-9) and a seventh inning loss to Rustburg (6-5) during last week's softball games.

Johnna Belter was the Appomattox pitcher of record in all three games and is now 8 and 2 on the season.

Annette Carter had seven hits in eleven at bats, scored nine runs and batted in ten to lead the Raiderettes in hitting. Susan Godsey and Karen Johnson also played well on offense.

The loss to Rustburg was very disappointing as the Devilettes scored five runs after two were out in the seventh inning to edge the Appomattox team 6 to 5.
